

# Ocean Crystal Chapel

## A Resort Wedding Experience

Waikiki's first and only free-standing wedding Chapel, Ocean Crystal Chapel, was designed to make a bride's dream become a reality. Located in the heart of the Hilton Hawaiian Village Beach Resort & Spa, the Chapel sits upon a cascading waterfall that feeds into ponds of water lilies and swans.

Entering the Atelier, a glass atrium on the first floor, will take you to a waiting area, bride's chamber and a beautiful staircase that leads to the Chapel.

1. Elegant Waiting Area just for your Bridal Party.

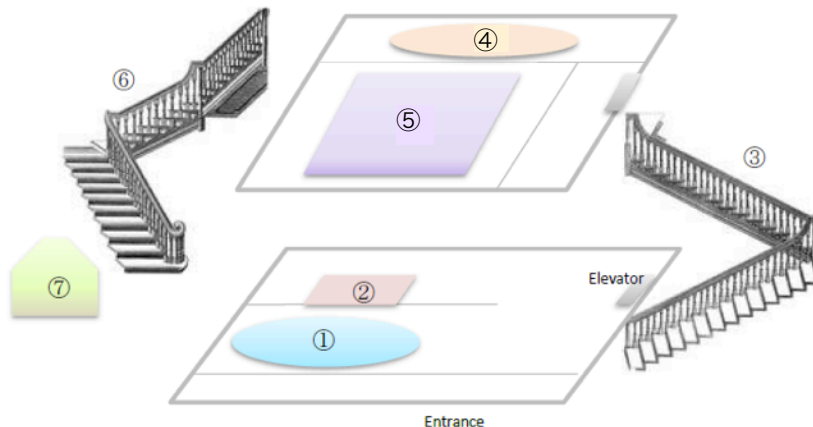

2. Bridal Chamber for your finishing touch-ups on your glamorous day.

3. Staircase to capture a picture-perfect moment.

4. Make your grand entrance from our stunning foyer.

5. Exchange vows underneath a beautiful chandelier.

6. Colorful flower shower at the outside staircase.

7. Share your First Dance with the back drop of the chapel waterfall.

8. Enjoy a photo session at Waikiki's best beach.

The gentle oasis setting will transport couples into another world, yet they will be just steps away from their guest rooms and all of the resort services and conveniences, making for the perfect "Resort Wedding Experience".
